

## Sharp Imagers and MFP's continue to be Meditech Qualified!

MEDITECH provides integrated software solutions to meet the information needs of health care organizations around the world. A global leader in the health care information systems industry, Meditech understands the complexities of health care organizations and develop the informatics tools needed to deliver patient care safely and efficiently. From large integrated delivery networks to community hospitals, Meditech software solutions support the entire continuum of health care, including physician practices, clinics, hospitals, home health agencies, long-term care and behavioral health facilities.

This document provides a qualification/compatibility statement for Sharp Imagers and MFP's within Meditech environments.

Sharp Imagers and MFP's offer both standard and optional hardware that is modular and scalable addressing a wide variety of networks and printing environments. The following Sharp devices are qualified/compatible with Meditech applications.

	Model	Functions	Meditech Applications		
			Qualified	Compatible	Notes
Colour Devices	MXC311/C401	C/P/F/S/DF	Yes*		Use latest firmware from 5/2009
	MXC400P	P	Yes		
	MX2600N/3100N	C/P/F/S/DF	Yes		
	MX4101N/5001N	C/P/F/S/DF	Yes		
	MX6201N/7001N	C/P/F/S/DF		Yes	
Monochrome Devices	DXB350P/450P	P			
	MXB400P	P	Yes		
	MXB401	C/P/F/S/DF	Yes		Use latest firmware from 5/2009
	MXM283/363/453/503	C/P/F/S/DF	Yes		
	MXM623/753	C/P/F/S/DF	Yes		
	MXM850/M950/M1100	C/P/F/S/DF		Yes	

\* tested

+ note that many discontinued Sharp models are also compatible

Sincerely,
